MEMO ENDORSED

Re: United States v. Lamar Griffin
18 Cr. 454 (KPF)

Your Honor:

I write to request a month adjournment of the conference on Mr. Griffin's VOSR, which is currently scheduled for October 8, 2024. Both probation, by Amber Wilton, and the government, by Frank Balsamello, Esq., agree with this request. Mr. Griffin had been doing very well, as has previously been reported to the Court in probation's requests for adjournments. However, Mr. Griffin has recently faltered in his recovery and compliance with treatment. He admitted to using K2 and has also failed to attend his required treatment program.

As we hope that this was a temporary lapse and probation reports that Mr. Griffin is back on track by returning to treatment, I request a month adjournment of the conference so we can assess Mr. Griffin status at that time.

Respectfully,
Lisa Scolari
